

I Am My Brother and Sister's Keeper!

Mark your calendars and set the date! February 7, 2012 is National Black HIV/AIDS Awareness Day, a national HIV/AIDS testing and treatment community mobilization initiative designed to encourage Blacks across the United States and Territorial Areas to get educated, get tested, get involved, and get treated around HIV/AIDS, as it continues to devastate Black communities.

On this commemorative day, we are encouraged to get educated, get tested, get involved, and get treated around HIV/AIDS.

Please join us on February 7th as we respond to the crisis in our community!
